11<sup>th</sup> May 2023

Dear Parents & Carers

Thank you for your feedback over the last week or so regarding our provision and working. I take all feedback to Senior Leadership meetings and value your voice in helping us to improve our provision.

## School Website

We have added to the school website some information about our Blanks Level questions that are used in school, as well as an example of the types of support strategies that are used by staff to help our learners. These are easy to use guides and might help you in supporting at home some of the strategies we use in school.

In the near future, we will be highlighting the Zones of Regulation work that is used across the Academy and I know successfully used at home by some of you in helping your child to self-regulate their feelings, with guidance and structures from this system.

## Summer Fayre

In previous newsletters I have mentioned the Summer Fayre, which is organised by the Friends of Weatherfield. Many staff and parents over the years, have volunteered to help at this event, which will be held on Saturday 1<sup>st</sup> July. We will be having a non-uniform Tombola gift day on Friday 26<sup>th</sup> May to support this event. A letter from the Friends of Weatherfield will follow with more details about this day.

## Weatherfield's Got Talent Show

The Post 16 pupils are again going to organise a talent show for the Academy. The two 'Weatherfield's Got Talent' dates will be:

Thursday 13<sup>th</sup> July – Key Stages 4 & 5

Thursday 20<sup>th</sup> July – Key Stages 2 & 3

These events will be held in the afternoon, with structures in place for those pupils who wish to perform in front of the school audience. Thank you to the Key Stage 5 pupils who hosted this last year and are again involved in the organisation this event.

## Transitions

For those pupils leaving us this summer and transitioning into adulthood and college, this has been very structured. For those pupils transitioning into Key Stages in school, more information will now be made available to you. We will be issuing Key Stage Booklets and more information about moving across phases for those pupils involved this year. During the second half of the summer term, transition dates and Parent Consultation evenings will take place to provide all information necessary.

Yours sincerely

Mr J Selmes  
Head Teacher
