

**KS5 ASDAN Life Skills Challenges - Long term plan**

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
<b>KS5            Years 12, 13            and 14</b>	<p>Students work throughout the academic year on their individualised Life Skills Challenges. Each challenge is 10 learning hours and challenges start at Entry 1 up to Level 2/3.</p> <p>At the start of each term they work closely with their teacher and support staff to decide which Life Skills Challenges they would like to undertake and a plan is then organised for that term.</p> <p>At the end of the term the work completed is moderated and the plan for the next term begins.</p> <p>At the end of the year students will receive certificates to confirm all the Life Skills Challenges they have received.</p> <p>Students can achieve an unlimited amount of challenges over the course of the academic year which allows for a personalised approach to their learning incorporating motivation and engagement.</p> <p>Life skills challenges follow the 'Preparing for Adulthood Pathway' with a clear focus on the 4 areas <b>Community Inclusion, Employment, Good Health, Independent Living and Housing.</b></p>					
<b>Key focus</b>  <b>To develop a wide and varied approach to learning to support individual students with a personalised curriculum.</b>	<p>Clear pathways are created for each student to identify Life Skills Challenges suitable for them.</p> <p>Each term students will achieve a life skills challenge from Entry 1 to Level 2/3 depending on their individual levels of attainment.</p> <p>The subjects students can gain life skills challenges are: -</p> <p>Citizenship, Design &amp; Technology, English, Expressive Arts, Geography, History, Languages, Mathematics, Physical Education, PSHE, RSE and Science.</p> <p>Within these subjects students gain skills in these 6 areas: -</p> <p>Ability to learn, IT skills, Literacy, Numeracy, Problem Solving and Teamwork.</p> <p>For students who are interested more in the vocational areas there are 9 areas available to them: -</p> <p>Computing, Construction, Hair &amp; Beauty, Health &amp; Social Care, Hospitality and Catering, Land-Based, Manufacturing, Media and sport and Leisure</p>
