22nd May 2023

Dear Parents & Carers

Many of you may be aware, there has been some ongoing work on the school site regarding our play equipment and soft play areas on the senior playground. Phase one has now been completed. The Friends of Weatherfield are supporting us as we start to plan for Phase two. Thank you to everyone involved on the first phase of work. The pupils are now enjoying the equipment on a daily basis and I will invite those most closely involved with the project to the official opening in the near future.

Tombola Mufti – Friday 26th May

The Friends of Weatherfield raise a considerable amount of money through the year for extra resources and facilities on the school site. As part of the preparation for the Summer Fayre on Saturday 1st July, there will be a non-uniform Tombola gift day this Friday 26th May. Items can be brought into the school for our assembly. All gifts received will go to the Tombola stall at the Summer Fayre. I am aware that the Friends of Weatherfield Facebook page and a letter with the details has been sent out, but I wanted to remind you of this event on Friday 26th May.

Transition Arrangements

In the next few school weeks, we will be starting transitions across the year groups in preparation for September 2023. At the end of June, there will be a Parents' Consultation and there will be transition events that will be signposted to you, including transition booklets and experiences for pupils as they move through the school. For those pupils at the end of their journey at Weatherfield, the moving to college or training has been ongoing for some time.

CBC SEND Update

The new Heads of SEND at CBC have visited us in the last week. The feedback from this visit was a positive one and they were made acutely aware of the pressures on the size of our current site, the lack of space in class rooms, medical areas and toilet facilities, as we continue to be heavily oversubscribed. I continue to lobby for the extension of Weatherfield at the ring-fenced Brewers Hill Site, so that the facilities can be extended and further places be made available in a timely fashion.

Learning Updates

A number of staff in school have looked recently at moderation of work for pupils and book scrutinises. Older learners have recently completed accreditation coursework. This has been a busy time for all involved and I would like to congratulate the standards of engagement in learning and staff for their dedication and expertise in working through these deadlines. Annual reports are currently being completed by staff and there are some key dates for you at the end of this letter. These dates will also be on the website.

Yours sincerely

Mr J Selmes
Head Teacher

Dates for the Diary:

Friday 26th May – End of Term & Tombola Mufti Day

Monday 5th June – Pupils return to school

Friday 23rd June - School Reports

Wednesday 28th June - Parents Evening

Friday 30th June - Year 11 Leaver's Day
