14<sup>th</sup> July 2023

Dear Parents & Carers

As we move towards the end of the term, I wanted to update you on arrangements for September, so that everyone is prepared, as well as to pass on some other newsworthy items from the last week.

After our recent Ofsted Inspection, I am still not at liberty to give the outcome of this, as Due Diligence is being followed by Ofsted and the report is being quality assured before it can be released. This means it will probably not be available until we return in September.

## Staff Training

All staff in September will be taking part in Essential Letters & Sounds phonics training. I would like to thank the many staff who have spent a great deal of time in preparing for this programme, which we have used successfully in school with the types of learners that we are providing for.

## New Staff

As we have grown in recent years in pupil numbers, our staff team has also needed to grow. I am therefore pleased to announce that we have successfully appointed a number of quality additions to our staff team, who will be joining us in September. At this time, we will be running a full staff compliment, without any gaps, as we move into September.

## Returning in September

New pupils only will attend the school on Monday 4<sup>th</sup> September, with all pupils returning on Tuesday 5<sup>th</sup> September. Over the coming weeks, if your child has transport to school the Local Authority will be in contact to confirm details for transport. Unfortunately, this is not our responsibility and we rely on the Local Authority to plan and contact you with these details.

## Little Hampton Trip

I would like to thank all the staff and pupils who attended the Little Hampton residential visit this week. It seemed to be an amazing experience and thank you to the many of you, as parents and carers, who have commented favourably on this to myself and staff.

## Talent Show

Yesterday afternoon, the Part One of the Talent Show took place. I have given out certificates and awards for this in Assembly this morning. The second talent show will take place next Thursday. I would like to thank the pupils from our 6<sup>th</sup> Form for their time and expertise in organising the Talent Show. This showed some amazing skills and confidences by everyone who took part.

## Prom

On Monday evening, the Post 16 students had their end of year Prom. This was supported by a number of local businesses in the community and by the students themselves, who arranged the decorations and event. Thank you to everyone involved for this successful evening.

There are a number of flyers attached to this newsletter giving details of events taking place over the summer holiday. There is also a flyer for Mr Samm's Summer Club, which is only open to Weatherfield pupils and will be held on site during the summer holiday.

Yours sincerely

Mr J Selmes
