13th October 2023

Dear Parents, Carers and Guardians

We had a visit from our MP, Andrew Selous, yesterday, who spoke and answered questions from the School Council, as well as having a tour of the school and seeing pupils in their learning environment.

The School Council were exemplary in their hosting of the event. I would like to thank everyone from the School Council for their questions and the way they planned the tour of the school, which I also attended with Mr Selous.

The School Council continues to be a voice that provides suggestions and areas of focus for us all.

The Signing Choir

The Signing Choir visited a care home recently in the area to perform the range of songs they have been practising. They have worked so hard at their lunchtime club in order to create a range of songs. The care home have invited us to return at a later date, as the residents found the experience very enjoyable. Thank you to everyone involved.

Harvest Festival

Next Friday 20th October, we will be holding our Harvest Festival. There will be a collection of non-perishable foods and items for Dunstable Food Bank, who will be attending our celebration. A further reminder will be sent next week, if you wish to send any items, they will be accepted throughout next week for presentation at the assembly and collection by the Food Bank staff.

Parent/Consultation Evening

Starting on Monday 16th October, the Parent/Consultation sessions with tutors will take place. To have some flexibility the meetings could be arranged throughout the early part of next week. However the main structure of consultations will be on Wednesday 18th October, we will also have guests in the school hall from a range of support networks for the school between 5-7pm.

Yours sincerely

Mr J Selmes
