7th July 2023

Dear Parents & Carers

It has been such a very busy week and I would like to thank the many of you who have supported us through the many events and activities that have taken place.

I am also delighted that we have managed to have keep the school open this week during the two days of strikes by teachers. I fully support the teachers and their actions to strike, but I am also aware that many staff have put the interest of their students before their own best interests at this time.

Summer Fayre

The Summer Fayre held last Saturday was the most successful one yet and raised £5,234.93. I would like to thank everyone who was involved and who attended to raise this significant amount, which will help us all throughout the coming years. Thank you to the Friends of Weatherfield, who continue to give time and support to us all.

Sports' Day

Thank you to Mr Stackhouse and his team, who managed to complete the Sports' Day this week despite and showers and inclement weather. In our Assembly today, we gave additional prizes for this event to the winning classes.

Leavers

Our Year 14 leavers had their last day at school today, alongside a small number of other pupils who have structured college and work placements for September. I would like to wish all the leavers the very best in their futures. I will follow their progress over the coming years and it gives me great delight to share some of the successes of our students as they move into adulthood.

Yours sincerely

Mr J Selmes
Head Teacher
