| Description of topic | This project supports pupils with settling into the new rules and routines of school and encourages them to make new friends and feel confident in their class. It teaches pupils about being helpful, kind and thoughtful at home and at school. This project also teaches pupils how they are unique and special and the importance of friendship. | This project explores the differences in the world at night compared to during the day. It teaches pupils about the importance of a good night's sleep and helps them to discover what is happening in the world while they are sleeping, including finding out about nocturnal animals. | This project teaches pupils about the global community to which they belong and explores how living things, communities and climates differ around the world. | This project teaches pupils about how they have grown and changed since they were babies and how life in the past was different from today. | This project teaches pupils about water, including floating and sinking, freezing and melting, and why it is important for living things to stay hydrated. | Get your sea legs on, it's time to sail the salty seas. Navigate, investigate and explore the world, just like Captain Cook. Make a boat, sink a ship, fly a pirate flag. Speak like a pirate, write like a poet, then weigh and measure a pirate's booty. How do rescues happen at sea? Find out about brave volunteers and young Miss Darling, rowing her boat across stormy seas. |
