

**Long Term Plan - Forest School  
Semi-Formal**

	<b>Materials</b>	<b>Team building</b>	<b>Firemaking</b>	<b>Bushcraft</b>	<b>Tools</b>	<b>Sensory Play</b>	<b>Cooking</b>
<b>Overview</b>	Students will take part in adult-led preparation of materials involving chopping of wood for use in fires.	Students will take part in simple team-building games.  Students will be working independently following 1-step instructions being modelled by an adult.	Adults will model how to light a fire.  Students will verbally recap how to make a fire.	Students will be involved with making dens for plastic animal families.	Adults will model how to use tools safely following health and safety guidelines.  Students will be able to use tools under adult supervision following the health and safety guidelines.	Students will be exploring onsite facilities such as the mud kitchen and water play.  Students will explore puddles, mud and different weathers.  Students will discuss the need for appropriate clothing through all weathers.	Students will work towards independently making hot chocolate.  By the end of the academic year, the aim is for students to be independently making drinks.
