13<sup>th</sup> March 2024

Dear Parents/Carers

It has been a busy week here in the Academy, our Lower School learners have enjoyed a successful residential visit to Caldecotte Lake on Monday and Tuesday; there was a production of the Little Princess on Tuesday, for those pupils who wished to attend and activities for those who did not. Last week, a number of learners successfully completed their Bikeability training and received certificates in Assembly. None of these activities could happen without the hard work and dedication of our staff team, who frequently give up their free time in order to enhance learning experiences and opportunities.

Therefore, I start this week's newsletter with a thank you to the Weatherfield staff team for their continued determination '*to put the child at centre of everything we strive for*' - which many of you will know, is our school motto. Also a big thank you to our learners, who make us proud every time they take part in experiences, both in school and out in our community, with their excellent behaviour, politeness and positive attitude.

## The Selfish Giant – KS4 Production

Key Stage 4 have been busy rehearsing for their play '*The Selfish Giant*', by Oscar Wilde. This will be performed in the Hall for both the Weatherfield learners and parents on Wednesday 27<sup>th</sup> March at 2pm, as part of the Key Stage 4 Easter Celebration Week.

The play involves an enormous thirteen-foot puppet, manipulated by three pupils and a very long pole! Mrs Harrington's husband, Andy Harrington, has kindly made the giant and brought it into school to teach the lucky pupils how to use it. Thank you to everyone involved in this production.

## Easter Activity Club
